PROXY STATEMENT

We are furnishing this Proxy Statement in connection with the solicitation of proxies on behalf of the Board of Directors of PFSweb, Inc. (“PFSweb,” the “Company,” “we,” “us,” or “our”) to be voted at the Annual Meeting of Stockholders to be held at Hilton Garden Inn, Allen, Texas, on Friday, June 9, 2017, at 10:00 a.m. and at any and all adjournments thereof. This Proxy Statement, the Notice of Annual Meeting, the accompanying proxy and the Annual Report on Form 10-K are first being mailed to stockholders on or about May 10, 2017.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD JUNE 9, 2017:

The enclosed proxy statement and 2016 Annual Report on Form 10-K are available at www.pfsweb.com/proxy-materials.

VOTING PROCEDURES

Your vote is very important. You can vote the shares of PFSweb common stock that are held directly in your name and not through your brokerage account at the Annual Meeting if you are present in person or represented by proxy. You may revoke your proxy at any time before the Annual Meeting by delivering written notice to our Secretary, by submitting a proxy bearing a later date or by appearing in person and casting a ballot at the Annual Meeting. If we receive a properly executed proxy before voting at the Annual Meeting is closed, the persons named as the proxy on the proxy card will vote the proxy in accordance with the directions provided on that card. If you do not indicate how your shares are to be voted, your shares will be voted as recommended by the Board. If you wish to give a proxy to someone other than the persons named on the proxy card, you should cross out the names contained on the proxy card and insert the name(s) of the person(s) who hold(s) your proxy. Please note that the person(s) to whom you give your proxy **must** be present in person at the Annual Meeting to vote your shares.

Who can vote?

Stockholders of record as of the close of business on April 17, 2017, are entitled to vote at the Annual Meeting. On that date, 18,856,990 shares of our common stock were issued, and excluding 33,467 shares of common stock in treasury, 18,823,523 shares of our common stock were outstanding and eligible to vote. Each share is entitled to one vote on each matter presented at the Annual Meeting. The closing sale price of our common stock as reported on the NASDAQ Capital Market on the record date was \$6.46 per share.

How do I vote?

You can vote in person at the Annual Meeting if you are a stockholder of record on the record date. Alternatively, a stockholder who holds shares of our common stock of record and not in “street name” may vote shares by giving a proxy via mail, telephone or the Internet. To vote your proxy by mail, indicate your voting choices, sign and date your proxy and return it in the postage-paid envelope provided. You may vote by telephone or the Internet by following the instructions on your proxy. Your telephone or Internet delivery authorizes the named proxies to vote your shares in the same manner as if you marked, signed and returned your proxy via the mail.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in street name. The Proxy Statement, the Notice of Annual Meeting, the accompanying proxy and the Annual Report on Form 10-K have been forwarded to you by your broker, bank or other holder of record who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone or on

the Internet. All stockholders of record may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

What shares are represented by the proxy?

The proxy that we are delivering represents all the shares registered in your name with our transfer agent, Computershare Shareowner Services LLC. The proxy that is delivered by your broker, bank or other nominee represents the shares held by you in an account at that institution.

What are “broker non-votes” and why is it important that I submit my voting instructions for shares I hold as a beneficial stockholder?

If a broker or other financial institution holds your shares in its name and you do not provide voting instructions to it, New York Stock Exchange (“NYSE”) rules allow that firm to vote your shares only on routine matters. Proposal No. 3, the ratification of BDO USA, LLP as the Company’s independent auditors, is the only routine matter for consideration at the Annual Meeting. For all matters other than Proposal No. 3, you must submit voting instructions to the firm that holds your shares if you want your vote to count at the Annual Meeting. When a firm votes a client’s shares on some but not all of the proposals, the missing votes are referred to as “broker non-votes.”

Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting, and abstentions, but not broker non-votes, as to particular proposals will be treated as shares entitled to vote. Broker non-votes are not considered votes for or against a proposal and, therefore, will have no direct impact on any proposal. Concerning the election of directors, you may: (a) vote for all director nominees as a group; (b) withhold authority to vote for all director nominees as a group; or (c) vote for all director nominees as a group except those nominees you identify on the appropriate line.

How are votes counted?

If you return a signed and dated proxy but do not indicate how the shares are to be voted, those shares will be voted as recommended by the Board. A valid proxy also authorizes the individuals named as proxies to vote your shares in their discretion on any other matters which, although not described in the Proxy Statement, are properly presented for action at our Annual Meeting. If you indicate on your proxy that you wish to “abstain” from voting on an item, your shares will not be voted on that item, but will be counted to determine whether there is a quorum present. There is no right to cumulative voting.

How is a quorum established and what vote is required to approve matters presented at the Annual Meeting?

The presence, in person or by proxy, of at least a majority of the shares outstanding on the record date will constitute a quorum. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum. If a quorum is not present, the Annual Meeting will be rescheduled for a later date.

The following sets forth the votes required to approve the matters presented at the Annual Meeting:

Item No. 1 (Election of Directors) – Each director nominee must receive the affirmative vote of a majority of the votes cast with respect to such director, which means that the number of shares voted “FOR” that director’s election must exceed the number of shares voted “AGAINST” that director’s election. Shareholders will not be allowed to cumulate their votes in the election of directors. Abstentions and broker non-votes will not be considered as votes cast on this proposal and therefore will not affect the outcome of this proposal.

Item No. 2 (Advisory Vote on Executive Compensation) – The non-binding advisory proposal to approve the compensation of the Company’s Named Executive Officers requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. As a result, abstentions are treated as votes against the proposal, while broker non-votes have no effect.

Item No. 3 (Ratification of Auditors) – The proposal to ratify the selection of BDO USA, LLP as our independent auditors requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. As a result, abstentions are treated as votes against the proposal, while broker non-votes have no effect.

What is the recommendation of the Board of Directors?

The Board of Directors recommends that stockholders vote (i) FOR the nominees of the Board of Directors (Item No. 1), (ii) FOR the non-binding advisory approval of the compensation to our Named Executive Officers (Item No. 2), and (iii) FOR the ratification of the appointment of BDO USA, LLP as the Company’s independent auditors for the fiscal year ending December 31, 2017 (Item No. 3). If you do not indicate how your shares are to be voted, your shares will be voted as recommended by the Board.

Who will tabulate the vote?

Our transfer agent, Computershare Shareowner Services LLC, will tally the vote, which will be certified by an inspector of election who is a PFSweb employee.

Who will bear the expenses of our solicitation? How will we solicit votes?

We will bear our own cost of solicitation of proxies. In addition to the use of the mail, proxies may be solicited by our directors and officers by personal interview, telephone, facsimile or e-mail. Our directors and officers will not receive additional compensation for this solicitation but may be reimbursed for out-of-pocket expenses incurred in connection with these activities. Arrangements may also be made with brokerage firms and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares of our common stock held of record by these people or institutions, in which case we will reimburse these brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection with these forwarding activities. We may retain Computershare Shareowner Services LLC to assist in the solicitation of proxies for an estimated fee of \$15,000 plus reimbursement of expenses.

Are there appraisal rights?

Stockholders have no dissenters’ rights of appraisal with respect to any of the matters to be voted upon at the Annual Meeting.

ITEM 1
NOMINEES FOR THE BOARD OF DIRECTORS

The Board presently consists of seven members, David I. Beatson, Monica Luechtefeld, Shinichi Nagakura, James F. Reilly, Benjamin Rosenzweig, Peter J. Stein and Michael C. Willoughby, all of whom have been renominated and recommended by the Board of Directors. If elected, such persons are expected to serve until the Company's 2018 annual meeting and until their successors are elected and qualified. The shares represented by proxies in the accompanying form will be voted for the election of the nominees unless authority to so vote is withheld. The Board of Directors has no reason to believe that such nominees will not serve if elected, but if any one or more of them should become unavailable to serve as a director, and if the Board designates a substitute nominee or nominees, the person named as proxy will vote for the substitute nominee(s) designated by the Board.

To be elected, a director nominee must receive the affirmative vote of a majority of the votes cast with respect to such director, which means that the number of shares voted "for" that director's election must exceed the number of shares voted "against" that director's election. This majority vote standard is in effect because this is an uncontested election of directors (i.e., the number of nominees for director did not exceed the number of directors to be elected as of the record date of the annual meeting). For any contested election, the directors would be elected by a plurality of the votes cast by the shares entitled to vote on the election of directors.

If a director nominee who is serving as a director is not elected at the annual meeting, under our by-laws, as amended, such director must tender his or her resignation to the Board, subject to acceptance by the Board. The Nominating Committee would then make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board, taking into account the recommendation of the Nominating Committee, would determine the appropriate responsive action with respect to the tendered resignation within 90 days and publicly disclose its decision. The director who tenders his or her resignation may not participate in the Board's decision.

Information regarding the method by which votes will be counted appears above under the heading "Voting Procedures."

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE CANDIDATES NOMINATED BY THE BOARD OF DIRECTORS.

The following information, which has been provided by the individuals named, sets forth for each nominee to serve as a member of the Board of Directors, such person's name, age, principal occupation or employment during at least the past five years, the name of the corporation or other organization, if any, in which such occupation or employment is carried on and the period during which such person has served as a director of the Company. The Board of Directors has determined that, other than Mr. Willoughby, each director is independent within the meaning of applicable Securities and Exchange Commission ("SEC") rules and NASD listing standards. The independent directors are able to and generally meet in executive session without the Company's management at each regularly scheduled quarterly Board meeting.

The Board of Directors does not have a policy regarding director attendance at the annual meeting of stockholders, and no current independent director attended the 2016 annual meeting.

The Board of Directors currently has a Nominating, Audit, Compensation and Technology and Cybersecurity Committee.

The Nominating Committee is responsible for identifying and evaluating individuals qualified to become Board members and recommending to the Board candidates to stand for election or re-election as directors. The Committee will consider candidates at the recommendation of existing Board members, Company management, search firms or other consultants, or stockholders. Stockholders wishing to recommend director candidates to the Board may do so by writing to the Committee in care of the Corporate Secretary at the Company's executive office, 505 Millennium Drive, Allen, TX 75013. At a minimum, director candidates should have demonstrated achievement in their particular field of endeavor, significant business or other management experience that would be of value to the Company, integrity and high ethical standards, good communication and leadership skills, and the ability and willingness to commit adequate time and attention to carry out their Board duties effectively. The Committee will evaluate candidates through background and reference checks, interviews and an analysis of each candidate's qualifications and attributes in light of the current composition of the Board and the Company's leadership needs at the time. The Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, experience and expertise to oversee the Company's business. The current members of the Nominating Committee are Mr. Reilly,

Mr. Rosenzweig and Mr. Stein, each of whom has been determined to be independent as discussed above. The Nominating Committee has adopted a charter which is available on the Company's website at www.pfsweb.com (the contents of the website are not incorporated in this Proxy Statement by reference). The Nominating Committee met one time during the calendar year ended December 31, 2016.

The Audit Committee is established for the purpose of overseeing the Company's accounting and financial reporting processes and audits of the Company's financial statements. Copies of the Company's code of business conduct and ethics may be found on the Company's website at www.pfsweb.com.

Board Leadership Structure

Currently, the Company has separated the roles of Chief Executive Officer and Chairman in order to permit the Chief Executive Officer to focus his efforts in improving the Company's operations. In addition, to assure effective independent oversight of the Company management, all of the other Board members are currently independent directors who may meet in executive session without management present. Similarly, each committee of the Board is comprised entirely of independent directors. The Company's Bylaws further permit the appointment of a lead independent director by the other independent directors. The lead director is authorized to prepare the agendas for executive sessions of the independent directors and chair those sessions, facilitate communications between the Chairman and other members of the Board, and act as a liaison to shareholders who request direct communication with the Board. Prior to his being appointed as Chairman, Mr. Reilly served as the lead director.

Risk Management

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks more fully described in our annual and quarterly filings with the SEC, including risks relating to dependence on clients and suppliers, competition, cybersecurity and data breaches, product development, credit and liquidity, acquisitions and foreign expansion and other business risks. Management is responsible for the day-to-day management of risks we face, while our Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. The Board of Directors, together with its committees, provides company-wide oversight of our management and handling of risk. At meetings of the Board of Directors and its committees, directors receive regular updates from management regarding risk management. Outside of formal meetings, the Board, its committees and individual Board members have regular access to the executive officers of the Company and are often consulted by management in respect of Company operations.

Report of the Audit Committee for the Fiscal Year Ended December 31, 2016

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended December 31, 2016. The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the 1934 Securities Exchange Act, as amended, except to the extent that the Company specifically incorporates such information by reference in such filing.

The Audit Committee of the Company's Board of Directors is comprised of three independent directors. During fiscal year 2016, the members of the Audit Committee were Mr. Reilly, Mr. Beatson and Ms. Luechtefeld.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants ("auditors") are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor these processes. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements. The Audit Committee approved the appointment of the Company's auditors, BDO USA, LLP, for the fiscal year ended December 31, 2016.

In fulfilling its oversight responsibility of appointing and reviewing the services performed by the Company's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of the independent auditor, including the scope of the audit, audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit related services. The Audit Committee considered the independent auditors' provision of non-audit services in 2016 and determined that the provision of those services is compatible with and does not impair the auditors' independence.

The Audit Committee discussed with the Company's auditors the scope and plans for the independent audit. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has reviewed and discussed with management and the auditors the Company's audited financial statements, including the auditor's judgments about the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. In addition, the Audit Committee reviewed and discussed with management and the auditors both management's annual report on internal control over financial reporting and the report of the auditors with respect thereto. The Audit Committee discussed with the Company's auditors such other matters as are required to be discussed between the Audit Committee and the independent registered public accounting firm under Public Company Accounting Oversight Board standards. The Audit Committee has received from the Company's auditors the written disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the Company's auditors.

In addition, the Audit Committee met with the auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

Based on the Audit Committee's discussion with management and the auditors and the Audit Committee's review of the representations of management and the report of the auditors to the Audit Committee, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2016, which was filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Overview of Compensation Program

The Compensation Committee of the Board is responsible for establishing and implementing our compensation philosophy. The Compensation Committee believes that the total compensation paid to our executive officers should be and is fair, reasonable and competitive. In this section of the Proxy Statement, the individuals who served during our fiscal year ended December 31, 2016 as our Chief Executive Officer and the other executive officers included in the Summary Compensation Table on page 16, are referred to as the “Named Executive Officers.”

Compensation Philosophy and Objectives

The Compensation Committee believes that executive officer compensation be structured to provide competitive base salaries and benefits to attract and retain superior employees and to provide short- and long-term incentive compensation to incentivize executive officers to attain, and to reward executive officers for attaining, established financial and operational goals that are consistent with increasing stockholder value. The Compensation Committee may use cash and stock bonuses and retention based equity awards as key components in the short- and long-term incentive compensation arrangements for executive officers, including the Named Executive Officers.

The Compensation Committee’s goal is to maintain compensation programs that are competitive within our industry and geographic market. Each year, the Compensation Committee reviews the executive compensation program with respect to the external competitiveness of the program, the linkage between executive compensation and the creation of stockholder value, and determines what changes, if any, are appropriate.

In determining the form and amount of compensation payable to Named Executive Officers, the Compensation Committee is guided by the following objectives and principles:

- Compensation levels should be sufficiently competitive to attract and retain key executives. We aim to ensure that our executive compensation program attracts, motivates and retains high performance talent and rewards them for our achieving and maintaining a competitive position in our industry and geographic market. Total compensation (i.e. maximum achievable compensation) should increase with position and responsibility.
- Compensation should relate directly to performance and incentive compensation should be a portion of total compensation. We aim to foster a pay-for-performance culture, with the bonus portion of total compensation being “at risk.” Accordingly, any bonus payable as part of total compensation should be tied to and vary with our financial, operational and/or strategic performance.
- Long-term incentive compensation should align executives’ interests with our stockholders. Awards of equity-based compensation encourage executives to focus on our long-term growth and prospects, and incentivize executives to manage the Company from the perspective of stockholders with a meaningful stake in us, as well as to focus on long-term career orientation.

Our executive compensation program is designed to reward the achievement of goals regarding growth, productivity and profitability, including such goals as:

- To assist the Company in achieving and surpassing its internal targets and budgets, including financial and operating targets.
- To recruit, motivate and exhibit leadership that aligns employees’ interests with that of our stockholders.
- To develop business models and systems that seek out strategic opportunities, which benefit us and our stockholders.

- To implement a culture of compliance and commitment to operate our business with the highest standards of professional conduct and compliance.

Compensation Committee Practices and Procedures

The Compensation Committee determines and reviews the value and forms of compensation for the Named Executive Officers and other officers based on the Compensation Committee members' general knowledge and experience, as well as, if appropriate, compensation surveys prepared by third party firms. The Compensation Committee is authorized to retain compensation consultants to assist the Committee in its efforts.

The Compensation Committee is delegated all authority of the Board as may be required or advisable to fulfill the purposes of the Compensation Committee. The Compensation Committee meets as often as it deems necessary or appropriate.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all compensation decisions for all executive officers (which includes the Named Executive Officers). The Compensation Committee actively considers, and has the ultimate authority of approving, recommendations made by the Chief Executive Officer regarding all equity awards to our employees.

The Compensation Committee annually reviews the performance of the Chief Executive Officer and determines the total compensation, including base salary, cash or stock bonus and long-term equity compensation, for the Chief Executive Officer. The Chief Executive Officer does not participate in such determination. The Compensation Committee also authorizes and approves an aggregate pool of short term and long term bonus and incentive cash and equity compensation for non-executive officers, with the allocation of such awards (and other compensation related matters) to be made or approved by the Chief Executive Officer.

Setting Executive Compensation

Based on the foregoing compensation philosophy, the Compensation Committee has structured our annual, short- and long-term compensation to motivate executives to achieve the financial performance objectives we set and to incentivize the executives to achieve and exceed, and to reward the executives for achieving and exceeding, such objectives. During fiscal year 2016, the Compensation Committee did not retain the services of any outside consulting firm.

2016 Executive Officer Compensation Components

For the year ended December 31, 2016, the principal components of compensation for Named Executive Officers were:

- base salary;
- performance-based incentive compensation, including both short-term cash or stock incentive compensation and long-term equity incentive compensation;
- retirement and other benefits; and
- perquisites and other personal benefits.

Base Salary

We provide our Named Executive Officers and other employees with a base salary as a component of compensation for services rendered during the year. Base salary ranges for Named Executive Officers are determined for each executive officer based on various factors considered by the Compensation Committee, including his or her position and level of responsibility and his or her actual performance during the preceding year. Base salaries for each year are typically

evaluated annually in the first quarter of such year. Merit-based increases to base salaries for executive officers are based on the Compensation Committee's assessment of various factors, including the individual's performance during the preceding year and base salary history and market salary data.

Performance-Based Incentive Compensation

Our 2005 Employee Stock and Incentive Plan, as amended and restated (the "Plan") provides the Compensation Committee with the flexibility to design cash and stock-based incentive compensation programs to promote performance and the achievement of our goals and objectives by executive officers and other key employees by allowing them to participate in our long-term growth and profitability. The Compensation Committee believes that providing performance-based incentive compensation is necessary to attract and retain superior executive talent and to align the financial interests of executive officers with those of our stockholders. A portion of each executive officer's potential aggregate compensation is in the form of incentive compensation. There are two types of performance-based incentive compensation used by the Compensation Committee. The first type is short-term incentive compensation in the form of a performance based cash or stock award, which generally is earned upon the achievement of certain individual and/or Company performance goals for the applicable fiscal year. The second type is long-term incentive compensation in the form of grants of performance shares, stock options, restricted stock or restricted stock units, which generally are earned upon the achievement of certain individual and/or Company performance goals for the applicable fiscal year, as well as further vesting conditions such as continued employment, financial performance and/or comparative market performance of the Company's common stock.

In May 2013, pursuant to the Plan, the Company issued Performance-Based Cash Awards and Performance Share Awards (as such terms are defined in the Plan) to the Company's then Named Executive Officers and certain senior management (the "2013 Awards"). Under the terms of the 2013 Awards, the determination of the dollar amount of the Performance-Based Cash Awards and the number of Performance Shares which each such individual received was subject to, and calculated by reference to, the achievement by the Company of a performance goal measured by a range of targeted adjusted EBITDA performance for 2013. EBITDA represents earnings (or losses) before interest, income taxes, depreciation, and amortization. Adjusted EBITDA further eliminates the effect of stock-based compensation and acquisition, restructuring and certain other charges.

The dollar amount of the Performance-Based Cash Awards and number of Performance Shares of the 2013 Awards was determined in March 2014 upon completion of the Company's 2013 annual financial statements. Based upon the achievement of certain targeted adjusted EBITDA goals, the Company paid the following Performance-Based Cash Awards to the Named Executive Officers and the Named Executive Officers received the following number of Performance Shares (subject to the vesting conditions for the unvested shares):

2014 Named Executive Officers	2013 Other Stock-Based Cash Award	As of December 31, 2016	
		2013 Restricted Stock Unit Award	
		Vested	Forfeited
Michael C. Willoughby	\$ 377,450	191,319	17,393
Thomas J. Madden	246,700	89,280	8,116
Cynthia D. Almond (1)	186,550	66,158	6,014

(1) Effective as of April 28, 2017, Ms. Almond no longer serves as an executive officer or other position with the Company.

The number of Performance Shares issued under the 2013 Awards shown in the table above were subject to four year vesting, with the first vesting date being December 31, 2013, based upon continued employment and the comparative performance (on an annual and cumulative basis) of the Company's common stock on NASDAQ compared to the Russell Micro Cap Index. Based upon the failure to achieve certain vesting criteria, certain of the Performance Shares did not vest and were forfeited.

In March 2014, pursuant to the Plan, the Company issued Performance-Based Cash Awards and Performance Share Awards to the Company's Named Executive Officers and certain senior management (the "2014 Awards"). Under the terms of the 2014 Awards, the determination of the dollar amount of the Performance-Based Cash Awards and the number of Performance Shares that each such individual received was subject to, and calculated by reference to, the achievement by the Company of a performance goal measured by a range of targeted adjusted EBITDA performance for 2014. Based on the Company's 2014 financial performance, no 2014 Awards were paid or issued.

In lieu of the 2014 Awards, in March 2015, pursuant to the Plan, the Company issued the following Other Stock-Based Awards and Restricted Stock Unit Awards (as such terms are defined in the Plan) to the Company's Named Executive Officers. The Restricted Stock Unit Awards are subject to three-year vesting beginning in 2015 based upon continued employment, while Other Stock-Based Awards represent the grant of unrestricted shares of the Company's common stock.

2014 Named Executive Officers	2014 Other Stock-Based Award	As of December 31, 2016	
		2014 Restricted Stock Unit Award	
		Vested	Unvested
Michael C. Willoughby	5,375	10,750	5,375
Thomas J. Madden	1,750	3,500	1,750
Cynthia D. Almond (1)	1,250	2,500	1,250

(1) Effective as of April 28, 2017, Ms. Almond no longer serves as an executive officer or other position with the Company.

In March 2015, pursuant to the Plan, the Company issued Performance-Based Cash Awards, Restricted Stock Units and Performance Share Awards to the Company's Named Executive Officers and certain senior management (the "2015 Awards"). Under the terms of the 2015 Awards, the determination of the dollar amount of the Performance-Based Cash Awards and the number of Restricted Stock Units and Performance Shares that each such individual received was subject to, and calculated by reference to, the achievement by the Company of a performance goal measured by a range of targeted adjusted EBITDA performance for 2015 as well as for certain of the Restricted Stock Units, individual performance goals, as defined. Based upon the achievement of certain targeted adjusted EBITDA goals, the Company paid the following Performance-Based Cash Awards to the Named Executive Officers and the Named Executive Officers received the following number of Restricted Stock Units and Performance Shares (subject to the vesting conditions for the unvested shares):

2015 Named Executive Officers	2015 Performance - Based Cash Award	As of December 31, 2016				
		2015 Performance Shares			2015 Restricted Stock Units	
		Vested	Unvested	Forfeited	Vested	Unvested
Michael C. Willoughby	\$ —	25,023	50,045	25,023	47,600	—
Thomas J. Madden	—	11,374	22,748	11,374	18,744	—
Cynthia D. Almond (1)	—	8,531	17,061	8,530	18,085	—
C. Travis Hess	135,000	2,417	4,834	2,417	—	—

(1) Effective as of April 28, 2017, Ms. Almond no longer served as an executive officer or other position with the Company.

The number of Performance Shares issued under the 2015 Awards shown in the table above are subject to four year vesting, with the first vesting date being December 31, 2015. Vesting of the Performance Shares is dependent upon meeting specified criteria which varies across the Named Executive Officers and includes continued employment, the achievement of certain Company performance goals for the applicable fiscal year and the comparative performance (on an annual and cumulative basis) of the Company's common stock on NASDAQ compared to the Russell Micro Cap Index. Based upon the failure to achieve certain vesting criteria, certain of the Performance Shares did not vest and were forfeited. The Restricted Stock Units were settled in 2016 by the issuance of the number of shares shown above.

In March 2016, pursuant to the Plan, the Company issued Performance-Based Cash Awards, Restricted Stock Units and Performance Share Awards to the Company's Named Executive Officers and certain senior management (the "2016 Awards"). Under the terms of the 2016 Awards, the determination of the dollar amount of the Performance-Based Cash Awards and the number of Restricted Stock Units and Performance Shares that each such individual received was subject to,

and calculated by reference to, the achievement by the Company of a performance goal measured by a range of targeted adjusted EBITDA performance for 2016, and/or achievement by each such individual or one or more individual performance goals. Based on the Company's 2016 financial performance, no 2016 Awards were paid or issued.

Retirement and Other Benefits

Executive officers are eligible to participate in our 401(k) plan and other benefit programs as described below. The Compensation Committee reviews the overall cost to us of these various programs generally on an annual basis or when changes are proposed. The Compensation Committee believes that the benefits provided by these programs have been important factors in attracting and retaining the overall executive officer group, including the Named Executive Officers.

Our 401(k) plan allows for discretionary employer matching funds of the employee contribution. During 2016, the employer match portion was 12%. We do not provide any other tax-qualified deferred compensation plans or programs for our executive officers.

Executive officers also receive the benefit of life insurance policies, which provide coverage up to \$0.75 million.

Executive officers are also entitled to participate in the various other group health, term life and similar benefit plans available to all of our employees and on the same terms as such employees.

Perquisites and Other Personal Benefits

We provide Named Executive Officers with perquisites and other personal benefits that we and the Compensation Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions.

Tax and Accounting Implications

Deductibility of Executive Compensation

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Code, which provides that we may not deduct compensation of more than \$1 million that is paid to certain individuals, subject to certain exemptions. The Committee has the discretion to authorize compensation which does not meet the requirements of Section 162(m) and may do so to ensure competitive levels of total compensation for the Company's executive officers.

EMPLOYMENT, CHANGE OF CONTROL AND TERMINATION ARRANGEMENTS FOR EXECUTIVES

The Company and each of Mr. Willoughby and Mr. Madden have entered into Change in Control and Severance Agreements. Under these agreements, and in consideration of certain commitments of the officer to continue employment, upon the occurrence of a change in control, all unvested options held by the officer immediately vest and become exercisable. During the two year period following a change in control (whenever occurring), if the employment of the officer is terminated (other than for cause, death, disability or retirement), or if there is a material adverse change in the officer's responsibilities, compensation or benefits to which the officer does not consent, then, in each case, the officer is entitled to receive from the Company (1) all salary and bonus amounts accrued through the date of termination, (2) a severance payment equal to twice the officer's salary and bonus amount (which is defined as the greater of (i) the highest annual incentive bonus earned by the executive during the last three completed fiscal years or (ii) the executive's then target bonus, if any) and (3) continuation for two years of all employee benefits (unless otherwise provided by a subsequent

employer). If applicable, the officer is also entitled to receive an additional payment to compensate the officer for any additional excise tax liability arising by reason of the receipt of such severance or bonus payment. The agreement terminates upon the voluntary resignation or termination of employment by the officer.

In addition, upon a change in control, all unvested Performance Shares and Restricted Stock Units issued to the Named Executive Officers immediately vest and each recipient is entitled to receive an additional payment to compensate the officer for any additional excise tax liability arising by reason of the receipt of such shares.

The Company and each of Mr. Willoughby and Mr. Madden have also entered into Executive Severance Agreements. Under these agreements, and in consideration for, among other things, the agreement by the executive to be bound by a restrictive covenant, in the event of the termination of the employment of the executive other than for cause (including termination following a reduction in the executive's base salary unless such reduction is part of, and proportionate with, a general reduction in officer compensation), the executive is entitled to a severance payment, based on the executive's years of service, up to a maximum of twice the executive's salary and the bonus, if any, that the executive would have received for such fiscal year (based upon the executive's targeted bonus amount and the Company's actual results for such fiscal year), payable in monthly installments over a period not to exceed two years (based on the executive's years of service). In addition, in the event of termination without cause, the executive is entitled during the severance period to a continuation of benefits and to the accelerated vesting of all options then held by the executive, and the executive is considered a continuing employee of the Company for all purposes for which the executive's status as an employee of the Company would entitle the executive to some benefit, including the vesting of Performance Shares and Restricted Stock Units. The severance payment and benefits are reduced by any compensation or benefits received by the executive from any subsequent employer.

Effective as of December 31, 2008, the Company and Mr. Willoughby and Mr. Madden entered into an amendment to the existing Executive Severance Agreements and Change in Control Severance Agreements between the Company and such persons. The primary purpose of such amendment was to modify such agreements so that they conform to Section 409A of the Internal Revenue Code. In addition, the amendment to the Executive Severance Agreement modified the calculation of the severance amount thereunder so that it is based on the highest annual rate of base salary during the 12-month period immediately prior to the qualifying termination.

For purposes of providing quantitative disclosure of the foregoing, assuming that a qualifying triggering event occurred as of December 31, 2016: (i) Mr. Willoughby would have been entitled to receive aggregate cash payments of approximately \$1,030,000 (payable over 24 months), other benefits with an estimated value of approximately \$105,000, and 5,375 shares of the Company's stock valued at \$45,688 based on the \$8.50 closing price of the Company's stock on December 31, 2016 (and, in the event of a change in control, 50,045 shares of the Company's stock valued at \$425,383 based on the \$8.50 closing price of the Company's stock on December 31, 2016, plus an additional benefit valued at \$2,510,000, plus, if applicable, an additional payment to cover any excise tax liability), and (ii) Mr. Madden would have been entitled to receive aggregate cash payments of approximately \$710,000 (payable over 24 months), other benefits with an estimated value of approximately \$105,000, and 1,750 shares of the Company's stock valued at \$14,875 based on the \$8.50 closing price of the Company's stock on December 31, 2016 (and, in the event of a change in control, 22,748 shares of the Company's stock valued at \$193,358 based on the \$8.50 closing price of the Company's stock on December 31, 2016, plus an additional benefit valued at \$1,095,000, plus, if applicable, an additional payment to cover any excise tax liability).

The Company and Mr. Hess and Ms. Johnson have entered into Severance, Nondisclosure, Nonsolicitation and Noncompete Agreements pursuant to which, and in consideration for, among other things, the agreement of the named individual to be bound by a restrictive covenant, in the event of the termination of employment other than for cause, the aforesaid Named Executive Officers are entitled to a severance payment equal to nine months of base salary, payable in monthly installments, and a continuation of benefits during such period.

For purposes of providing quantitative disclosure of the foregoing, assuming that a qualifying triggering event occurred as of December 31, 2016, (i) Mr. Hess would have been entitled to receive aggregate cash payments of approximately \$206,000 (payable over nine months) and other benefits with an estimated value of approximately \$30,000, and (ii) Ms. Johnson would have been entitled to receive aggregate cash payments of approximately \$188,000 (payable over nine months), other benefits with an estimated value of approximately \$30,000, and 750 shares of the Company's stock valued at \$6,375 based on the \$8.50 closing price of the Company's stock on December 31, 2016.

Effective as of April 28, 2017, in connection with the termination of her services for the Company, the Company and Ms. Almond entered into a Settlement and Release Agreement, which replaced all prior severance and change in control agreements, and pursuant to which, among other things, Ms. Almond agreed to be bound by a two year restrictive covenant, and the Company agreed to (i) pay Ms. Almond a severance payment of approximately \$620,000, payable over 24 months, (ii) provide Ms. Almond for 24 months with continuation of health care and other benefits, having an estimated value of approximately \$90,000, (iii) issue to Ms. Almond 19,335 shares of the Company's stock (having a value of \$141,532 based on the closing price of \$7.32 per share on April 28, 2017) in satisfaction of, among other things, all outstanding restricted stock unit and performance share awards and (iv) permit Ms. Almond to continue to exercise previously granted vested options until the stated termination date thereof.
